

LASA THE LOS ANGELES SERVICE ACADEMY

Application for the Class of 2017-2018

DUE APRIL 30, 2017 via email to LASA@huntington.org

LAServiceAcademy.org

LASA begins with LA's youth. How do LA's youth experience LA and how do they imagine LA's future? LASA invites you to consider how you can be a problem-solver and visionary of both the LA of today and of tomorrow.

LASA combines seminars, fieldwork and student engagement. We meet for a week in August and then one Saturday a month for the academic year. Our hope is that, over time, LASA will change the lives and career paths of hundreds of high school students in the region and will become an agent of change and community building throughout Los Angeles.

Welcome to our application process! We receive submissions from more applicants than we can admit each year into our program, so make sure you give us your best in responding to the questions.
